Maximal Barrier Integrated PICC Kit

Available with...

The Maximal Barrier Integrated Tray

• Helps clinicians to meet the following:

- Centers for Disease Control (CDC) Guidelines
- Institute for Healthcare Improvement's (IHI) 5 Million Lives Campaign
- Infusion Nurses Society (INS) Standards of Practice
- Occupational Safety & Health Administration (OSHA) Guidelines

• Helps reduce the risk of bloodstream infections

• Includes components necessary to comply with Medicare mandates

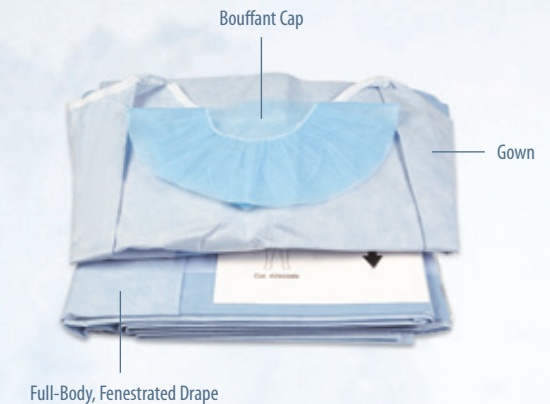

• All tray components are organized to facilitate a sterile and simplified PICC placement
